# What's Happening In The Calgary Region

## Summer – Let the Fun Begin!!!

The month of July brings an end to the annual achievement day season, school assignments and the beginning of camps and holidays. Now that the craziness of June is behind us, please remember to thank the leaders, parents and volunteers of your club. A simple card, gesture, or gift goes a long way. Show them how much they are appreciated --- because they think the world of you.

We think the words of Josie Pashulka, Leader & Parent, Myrnam 4-H Beef and Multi, summed it up in a Facebook Post she penned after her achievement day.

*"The morning after... 4-H. Those that have been through a two-day 4-H show know the feeling! This is Year 11 for me as a parent and leader. There's so many to thank and recognize. So here are my THANKS!"*

**Kids-** *I've seen them cry and I've seen them smile but some of the best memories is when you see kids make it into the Champion drive who have never been there before, the cleaver that hugs you after they show, the senior that congrats or wishes the other kids good luck, the junior that couldn't handle their calf one year but the next year wins showmanship. So many great moments. But no matter the kids I love them all.*

**Parents-** *who offer to help, who work hours for a goal, who encourage everyone's kids, who wipe the tears after that kick or that steer sells...Well Done!*

**Community, Families, Buyers and Sponsors-** *who always say Yes!, who show these kids what rural life and support is all about. For stepping up to resolve issues and always have the good of the kids in their thoughts!*

**Leaders-** *for getting beaten down but smile a minute later, who see the big picture not tunnel vision. Who cheer, wipe tears, sometimes put their foot down and who develop tough skin. Who at the end think of the kids first and know you are developing them into great adults.*

*To the leaders that have their own kids in the program- extra kudos to you! For being a parent to other kids, for doing stuff that is sometimes tough, for missing all the little moments with your own kids because you are running around doing "stuff"- you miss the grand Champion slap, the show ring visits with your own kids, getting pictures. Your sacrifices for ALL the kids make yours stronger and you do make a lasting impact on all the kids! Thanks everyone it's been a great year of developing young leaders!!"*

The South 4-H Region ambassadors would like to invite EVERYONE across the province to participate in a new event!

**We Sweat Green** will be a fun 3 km colour run for 4-Hers and community members to be able to come together and have a great time! Hosted in Hays, this run will be open to everyone, age 9-99. Registration will begin at 8 am and the run will begin at 9 am on Saturday August 18th.

Tickets available on Eventbrite:

We think the words of Josie Pashulka, Leader & Parent, Myrnam 4-H Beef and Multi, summed it up in a Facebook Post she penned after her achievement day.

*"The morning after... 4-H. Those that have been through a two-day 4-H show know the feeling! This is Year 11 for me as a parent and leader. There's so many to thank and recognize. So here are my THANKS!*

**Kids-** *I've seen them cry and I've seen them smile but some of the best memories is when you see kids make it into the Champion drive who have never been there before, the cleaver that hugs you after they show, the senior that congrats or wishes the other kids good luck, the junior that couldn't handle their calf one year but the next year wins showmanship. So many great moments. But no matter the kids I love them all.*

**Parents-** *who offer to help, who work hours for a goal, who encourage everyone's kids, who wipe the tears after that kick or that steer sells...Well Done!*

**Community, Families, Buyers and Sponsors-** *who always say Yes!, who show these kids what rural life and support is all about. For stepping up to resolve issues and always have the good of the kids in their thoughts!*

**Leaders-** *for getting beaten down but smile a minute later, who see the big picture not tunnel vision. Who cheer, wipe tears, sometimes put their foot down and who develop tough skin. Who at the end think of the kids first and know you are developing them into great adults.*

*To the leaders that have their own kids in the program- extra kudos to you! For being a parent to other kids, for doing stuff that is sometimes tough, for missing all the little moments with your own kids because you are running around doing "stuff"- you miss the grand Champion slap, the show ring visits with your own kids, getting pictures. Your sacrifices for ALL the kids make yours stronger and you do make a lasting impact on all the kids! Thanks everyone it's been a great year of developing young leaders!!"*

### 4-H Alberta Member Satisfaction Survey

We want to hear from you!

In the next few weeks watch your inbox for a member satisfaction survey.

We want to hear about your experience with 4-H Alberta to help us make the program better.

If you are a parent, you can help a younger member fill in the survey. There will be future opportunity for parent/guardian feedback about the 4-H Program in Alberta.

We hope each member fills in a survey. If you are a member of more than one club, we ask that you complete the survey for each club to which you belong.

Remember there are no right or wrong answers; we simply ask for your honest responses.

The 4-H Council of Alberta will share a summary of the survey results with 4-H members, leaders, and key leaders. The aggregate responses for each question will be shared with Provincial Council Directors, Regional Councils, Foundation Directors and staff, and the 4-H Section of the Government of Alberta.

Your responses will be completely anonymous and will be confidential. An email will be sent to all 4-H Members. Please take a few minutes when it arrives to complete.
