

4-H Heritage Families

Objective: The 4-H Heritage Families initiative provides an opportunity for multigenerational 4-H families to tell their stories. Families with a strong 4-H history are encouraged to share their history through a brief description of their participation in 4-H.

Purpose: In the spirit of celebrating 100 years of 4-H in Alberta, it is important to showcase our history and our future. The collection of multigenerational 4-H families' stories demonstrates the strength of 4-H's roots and showcases the evolution of the program between generations.
