

4-H Committee Participant Principles

Purpose:

To have a clear understanding of the committee's role and work together to achieve successful completion of an assigned mandate by combining diverse strengths, knowledge and ideas of the individual members.

IT'S ALL ABOUT THE MATH.....

Individual members who participate together:

- + will be respected for what they individually bring to the group
- + have wisdom and knowledge to share
- + will be heard, and will listen to others
- + understand that there are no wrong answers
- + are willing to work together to create new opportunities and results
- + are needed, to continue to grow and refresh
- +

Create a Committee who:

- = Is stronger than any of the individual participants alone
- = achieve together
- = bring forth new ideas
